

COR-600BB

INDOOR / OUTDOOR BACK BRACKET FOR COR-600 SERIES BULLETS

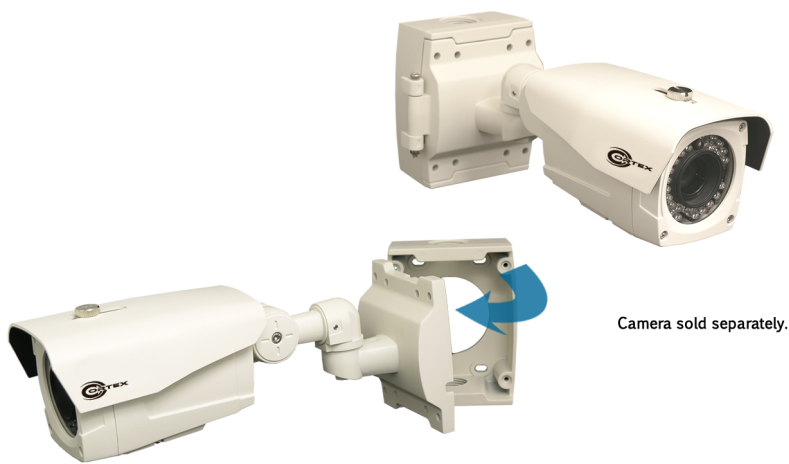

A camera back box provides a secure point on a wall or ceiling that can be used for fast & repeated attachment of cameras without exposing the underlying surface to repeated wear-and-tear. This back box is designed for use with the COR-600HIM camera.

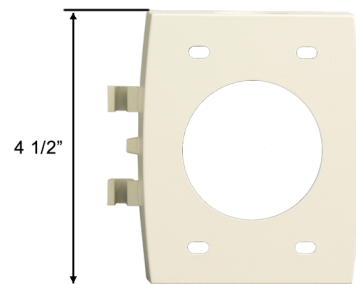

- ✓ Hard aluminum alloy resists attacks
- ✓ Cable openings on top, bottom, and back
- ✓ Corrosion resistant finish
- ✓ Complete installation kit included.
